

## Airport Development Charge (ADC)

Dear Customer,

Kindly note Airport Development Charge (ADC) of US\$ 25 (United States Dollar Twenty Five) will be collected from all international departing passengers (age 2 years and above) from Ibrahim Nasir International Airport (INIA), Malé on flights scheduled after 00:00 hrs of 1st January 2012.

The same has been authorized by Government of Maldives

**What is the currency of payment of ADC?**

- Payment of ADC shall be in United States Dollars.
- However, Maldivian passport holders and holders of valid Maldivian Work Visa/dependent Visa are allowed to pay ADC in equivalent Maldivian Rufiyaa at the prevailing exchange rate.

**Where do I pay ADC?**

- ADC will be collected at the check-in counter at International Departures.

**Will I be issued boarding pass before payment of ADC?**

- The boarding pass will only be issued after payment of ADC at the check-in counter.

**What is the mode of payment of ADC?**

- ADC will be accepted either by way of cash or credit cards.

**Will I get a receipt for ADC?**

- Yes, every payment will be acknowledged and issued a receipt in favor of the passenger.

**Why is the ADC fee not included in my ticket price?**

- The airlines operating from INIA are a combination of scheduled and charter airlines and for this reason direct payment by passenger to the airport authority is the most efficient mode of collection. This may change in the future.

**Is the ADC unique to INIA?**

- ADC is named uniquely, however this is an international practice which is followed in many airports across the globe.

**What happens if I do not pay the ADC?**

- All international departing passengers must pay ADC, at the point of check-in for their boarding pass to be issued.

**What happens if my flight is cancelled after I have paid the ADC or I choose to cancel my travel?**

- On cancellation of the flight, the payment made will stand as a credit in the name of the passenger. The airport copy of the ADC receipt will be returned to the passenger duly stamped "valid for next flight"
- For credited ADC then the passenger is required to show both the passenger copy as well as the returned airport copy to avoid ADC payment for the next flight.
- In the event of passenger cancelling their travel the ADC refund will be made according to the same mode of payment. Cash will be refunded in cash & credit card payment will be refunded to card.

Further information about the Airport Development Charge please speak to a member of staff at the terminal Information Desk or email your enquiry to [adcinfo@gmrgroup.mv](mailto:adcinfo@gmrgroup.mv)
